**IMPORTANT NOTICE**

1. This permit shall be posted in a conspicuous location on the premises and shall remain in place during the entire period of construction.
2. If any changes or deviations are made from the original building permit application, a new permit is required.
3. This structure is not to be used or occupied until all inspections are approved and a "Certificate of Occupancy" is issued.
4. A septic tank provides only partial sewage treatment. Absorption fields are not dependable for an extended period of time. Therefore, the septic sewage disposal system is only a temporary installation to be replaced by municipal- type treatment when available.
