OLD KINGS  
ELEMENTARY SCHOOL

Possible addendum/alternate:  
Remove existing fence and  
replace with brick and hollow  
metal doors and frames. See  
rendering on cover page of  
plans.

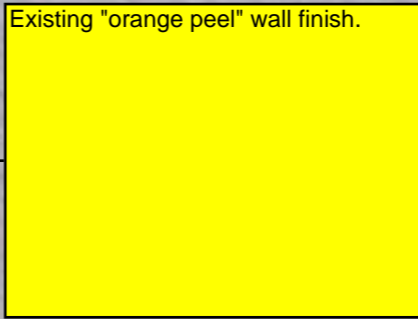

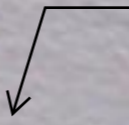

Structural column to be located in this corner. The counter top will have to be modified to accommodate new column. Box-out around column. Repair acoustical ceiling as required. See page (5) for opposite corner.

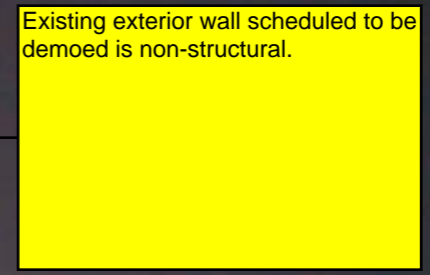

Casework will have to be modified to accommodate new structural column in this corner. Box-out around column and repair acoustical ceiling as required.

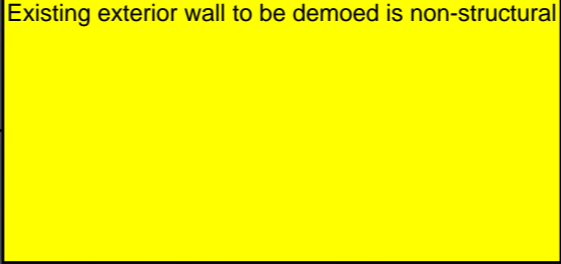

Existing "orange peel" wall finish.

Existing exterior wall scheduled to be demoed is non-structural.

Existing exterior wall to be demoed is non-structural

Underside of existing roof structure.
