Dear Mr. Meiring,

Park Chapel will finish its third year in our new building in February! It seems like it was just yesterday that we were working so hard during this time of the year to get the finishing touches done.

We are pleased to be able to commend your company for its diligence and craftsmanship in the finished product that we now enjoy. It was indeed a pleasure to work with your construction supervisors and to realize how quickly the work was completed and the thoroughness with which it was done.

We receive many compliments on the attractiveness and useability of the structure. Thank you, for the nice job and dedication that your company gave to this project.

**Sincerely,**

David Woods
